

## ABOUT CONTINUING PROFESSIONAL EDUCATION

To be accepted for renewal of the CHESP, continuing professional education must relate to the categories identified in the CHESP Examination Content Outline. A list of these categories with Content Codes follows. A Content Code must be identified for each activity reported. Tasks that relate to each category are identified in the *CHESP Candidate Handbook and Application* (available from [www.aha.org/certification](http://www.aha.org/certification)).

Content Code	Content Category
1	Regulatory Compliance
2	Planning, Design, and Construction
3	Operations Related to Environmental Sanitation
4	Operations Related to Waste Management
5	Operations Related to Textile Management
6	Financial Stewardship
7	Administration

*When selecting continuing professional education activities, you are encouraged to refer to your Examination score report to identify subscore areas where additional study may be beneficial.*

Contact hours are used for renewal of the CHESP credential. A contact hour is defined as 50-60 minutes of educational experience. **Activities must be of at least 30 minutes' duration to qualify for renewal credit, and all activities must be reported in 30-minute increments.**

The following table provides acceptable types of continuing education, Type Codes, documentation required for each activity, and maximum number of contact hours accepted per type over the three-year period. A Type Code must be identified for each activity reported.
