FOR IMMEDIATE RELEASE

AHE Announces Contec as Corporate Champion

CHICAGO (July 22, 2019) –The Association for the Health Care Environment (AHE), of the American Hospital Association, has announced Contec as a 2019-2020 Corporate Champion.

AHE's Corporate Champion sponsorship gives companies the opportunity to assist with strategically advancing the environmental services (EVS) profession. Relationships with key vendors and service providers such as Contec assist AHE with the delivering of exclusive education, networking, and other opportunities.

Contec helps environmental service technicians and infection preventionists maximize their efficiency and effectiveness. Founded in 1988, Contec has led cleaning innovation in the most critical and demanding industries from pharmaceutical and medical device to aerospace for more than 30 years.

AHE Corporate Champion benefits include mutually beneficial strategic and customized communications and interactions with EVS professionals, improved corporate brand recognition, and corporate alignment to member needs. AHE is delighted to add Contec to the growing list of AHE Corporate Champions. For more information about Corporate Champion and other sponsorship opportunities, contact AHE at ahe@aha.org.

###

About Contec, Inc.

Contec Professional offers a wide range of innovative products for the professional cleaning market. Our laundry-free microfiber mops and wipes deliver advanced cleaning performance, while lowering total operational costs. We help housekeeping teams, environmental service technicians, and infection preventionists maximize their efficiency and effectiveness. Whether your focus is health care, institutional, or commercial cleaning, Contec's Premira® disposable microfiber floor pads, wipes and ergonomic cleaning tools are the best choice for a healthier facility. Founded in 1988 in Spartanburg, SC, Contec has led cleaning innovation in the most critical and demanding industries from pharmaceutical and medical device to aerospace for over 30 years. We are bringing that innovation and knowledge to you each day. Please visit www.ContecProfessional.com to learn more.

About AHE

The Association for the Health Care Environment (AHE) is a Professional Membership Group of the American Hospital Association. AHE is the professional organization of choice for professionals responsible for caring for the patient and resident care environment across all care settings; including hospitals, long term care, continuing care retirement communities and ambulatory care. AHE shapes professional practice, advances and promotes the profession and promotes awareness for over 2,300 professionals working to ensure a clean and safe health care environment and quality outcomes. www.ahe.org
