FOR IMMEDIATE RELEASE

AHE Announces SC Johnson Professional as Corporate Champion

CHICAGO (August 14, 2019) –The Association for the Healthcare Environment (AHE), of the American Hospital Association, has announced SC Johnson Professional as a 2019-2020 Corporate Champion.

AHE's Corporate Champion sponsorship gives companies the opportunity to assist with strategically advancing the Environmental Services (EVS) profession. Relationships with key vendors and service providers such as SC Johnson Professional' assist AHE with the delivering of exclusive education, networking, and other opportunities.

SC Johnson Professional helps Environmental Service technicians with skincare, surface disinfection, and floor cleaning throughout the health care environment. "Through becoming a corporate champion with AHE we are committed to developing and empowering environmental service technicians with the knowledge they need to excel in their profession," said Martin McGonagle, General Manager of the Healthcare Division with SC Johnson Professional.

AHE Corporate Champion benefits include mutually beneficial strategic and customized interactions and communications with EVS professionals, improving corporate brand recognition, and corporate alignment to member needs. AHE is delighted to add SC Johnson Professional to the growing list of AHE Corporate Champions. For more information about Corporate Champion and other sponsorship opportunities, contact AHE at ahe@aha.org.

About SC Johnson Professional

SC Johnson Professional® is part of SC Johnson, a family company and one of the world's leading manufacturers of household cleaning products and products for home storage, air care, pest control and shoe care, as well as professional products. The company has a long history in the professional market, in which it started operating in the 1930's.

SC Johnson Professional® provides expert skin care, cleaning & hygiene solutions for industrial, institutional and healthcare users. This incorporates the Deb and DebMed range of specialist skin care products along with well-known SC Johnson brands and innovative professional cleaning & hygiene products.

The SC Johnson Professional® purpose is to bring innovative, quality products and services to professional markets with outstanding performance that respect the environment, create efficiencies, reduce inventories, simplify training and provide a positive user experience.

About AHE

The Association for the Health Care Environment (AHE) is a Professional Membership Group of the American Hospital Association. AHE is the professional organization of choice for professionals responsible for caring for the patient and resident care environment across all care settings; including hospitals, long term care, continuing care retirement communities and ambulatory care. AHE shapes professional practice, advances and promotes the profession and promotes awareness for over 2,300 professionals working to ensure a clean and safe health care environment and quality outcomes. www.ahe.org
