Beatitudes Campus Phoenix, Arizona

Reyna Valenzuela volunteered to work in the Beatitudes Campus skilled nursing facility's COVID IOS unit at the height of the COVID-19 outbreak. Despite being three-months pregnant, she was committed to doing all she could to care for the residents. She later contracted COVID-19, but has since recovered and returned to work. "Reyna has always been one to put the needs of our residents first," said Nancy Cortez, assistant director.
